**Subject:** RE: MIA Fuel Farm Restoration Project Minority Participation

Hi Cookie. I also need to find out the wage scale that's been applied to this project to place the information on the project worksheet. Is it Building or Heavy Construction?

**Subject:** MIA Jet Fuel Storage Facility New Hydrant System Pump Stations

Good Morning. As an attachment is the Memorandum for the MIA Jet Fuel Storage Facility New Hydrant System Pump Stations which shows justification of a No Measure (Contract Measure) . This project was directed to I. Quintana January 9, 2012 for review of availability. The Minority Affairs Division received instructions from the User Department and SBD that the work which had to be done on an emergency basis is now 80% complete and therefore they are justifying the Contract measure as a **No measure** due to this emergency. Please advise if there are any questions.
