Reasons for Recommendation

An analysis of the trade required for this contract as well as an analysis of the availability of CSBEs revealed insufficient availability. Verification of Availability to Bid Letters were sent to CSBE certified firms – Two (2) CSBE firms responded. However, none of them were able to meet the contract's requirement. SBD questioned if the contract can be divided into two (2) contracts. WASD indicated that it would be costly to issue two (2) separate contracts.
