Good Morning Vivian,

I have revised the SBD Form with a reduced allocation since CUA removed Group C (Art in Public Places) from the contract. I also attached a copy of the separate contract for "Art in Public Places" to justify the removal for Group C. Based on the previous review and our conversations, I feel we should not include a CSBE measure on Group A (Aviation) due to the complexity and special requirements involved in this location. Please let me know if you have any questions or comments.

Thank you for your help in expediting this review. I appreciate your help.

Hi Vivian,

Per your request, I am providing an update email:

I spoke with Deborah Margol, Deputy Director for the Department of Cultural Affairs, regarding the replacement contract for IB5465-4/12-4. She informed me that CUA has an existing contract (9253-5/20) that is specifically for "Art in Public Places, Miscellaneous Services". She has requested that we remove Group C from the replacement contract. I am in the process of revising this contract and I will re-submit it to SBD for review.

Thank you,

Hi Vivian,

The list of vendors included in the CSBE preference for Neon Signs was sent to the Cultural Affairs Department yesterday per their request. I will follow up with them tomorrow morning to confirm if we can move forward. I just wanted to keep you informed of the situation and I will reply as soon as I have correspondence back from CUA. Hi Vivian,

I was instructed by my supervisor to reach out the Cultural Affairs Department and obtain their concurrence with this measure. As soon as I have their reply, I will contact you.

In addition, she also requested to see the list of "CSBE Set-Aside" Vendors that would be used for this contract. Would you please email that list with each Company's Name, Contact Name, Email Address and Phone Numbers as soon as possible? I really appreciate your help.
