**E-MAIL:** lbonill@miamidade.gov

**DUE DATE:**  
**TIME:**

All general terms and conditions of Miami-Dade County Procurement Contracts for Invitations To Quote are posted online. Persons and Companies that receive an award from Miami-Dade County through Miami-Dade County's competitive and informal quotation procurement process must anticipate the inclusion of these requirements in the resultant Contract. These standard general terms and conditions are considered non-negotiable subject to the County's final approval.

All applicable terms and conditions pertaining to this solicitation and resultant contract may be viewed online at the Miami -Dade County Procurement Management website by clicking on the below link:

<http://www.miamidade.gov/procurement/library/boilerplate/general-terms-and-conditions-r13-2.pdf>

Sealed quote is required.

Bidders may submit their written quotation to:

**Procurement Management Division, Internal Services Department  
111 NW 1<sup>st</sup> Street, Suite 1300  
Miami, Florida 33128-1974  
Attention: Vendor Assistance**

**The Cone of Silence is applicable to this Invitation to Quote. Requests for additional information or clarification shall be made via email to the contact person identified on this form. A copy must be filed with the Clerk of the Board to [CLERKBCC@miamidade.gov](mailto:CLERKBCC@miamidade.gov).**

Quotes received after the time and date specified, and after any other quotes have been opened may not be accepted.

**1. Scope**

The purpose of this Invitation to Quote is to establish a contract to purchase scheduled grounds maintenance for Miami-Dade County.

**2. Method of Award**

Award of this contract will be made to the three lowest priced responsive, responsible Bidders by group in the aggregate. In order to be considered for award, Bidders must submit an offer for all items listed within each group. If a Bidder fails to submit an offer for all items within the group, its offer for that group may be rejected. The lowest priced Bidder shall have the initial responsibility to perform under the awarded groups. Bidders shall be designated as primary, secondary and tertiary based on pricing. Award to multiple Bidders is made for the convenience of the County and does not exempt any awarded Bidder from fulfilling the contractual obligations. Failure to perform may result in the Bidder(s) being deemed in breach of the contract.

- A. Bidders must provide the name of the arborist that will be used under this contract and a copy of International Society of Arboriculture (ISA) certification. For more information link to: [www.floridaisa.org/](http://www.floridaisa.org/).
- B. Bidders or their approved subcontractor shall hold a current Pest Control license for lawn and ornamental services issued by the Florida Department of Agriculture and Consumer Services.
- C. Bidders or their approved subcontractor shall employ a certified operator. A copy of their current license issued by the Florida Department of Agriculture and Consumer Services shall be provided.

Bidders shall submit all of the specified information, documents and attachments listed above with their bid submittal form as proof of compliance to the requirement of this Invitation to Quote. However, the County may, at its sole discretion and in its best interest, allow the Bidders to complete, supplement or supply the required documents during the evaluation period.

**3. Pre-Bid Conference and Site Visit Highly (Recommended)**

A pre-bid conference to discuss the special conditions and specifications included within this Invitation to Quote will be held on Wednesday, June 27, 2013 at 9:00 am. Immediately following the pre-bid conference, visits to review the current conditions of the site(s) will take place. The 'cone of silence' is lifted during the sites visit(s) to allow for any questions to be addressed with the representatives from Miami-Dade County. Bidders should arrive promptly to ensure that all attendees have sufficient time to inspect the sites. Please note that a fifteen (15) minute grace period will be allowed before the site visit begins. Bidders are requested to bring a copy of the Quotation to the site visits. The meeting location will take place at the Arcola Lakes Branch at 8240 NW 7th Avenue and will continue in the following order: Golden Glades, North Dade, Naranja, Coral Reef, Coral Gables, Key Biscayne and Shenandoah. Bidders should be thoroughly aware regarding any conditions which may in any manner affect the work to be done or affect the equipment, materials and labor required. No additional allowances will be made because of lack of knowledge of these conditions. For directions see below:

**4. Term of Contract**

This contract shall commence on the first calendar day of the month succeeding approval of the contract by the Board of County Commissioners, or designee, unless otherwise stipulated in the Notice of Award Letter which is distributed by the County's Department of Internal Services Department, Procurement Management Services, and contingent upon the completion and submittal of all required bid documents. The contract shall expire on the last day of the last month of the **three-year period**.

**5. Prices**

The initial contract prices resultant from this Invitation to Quote shall remain fixed and firm for no less than 12 month from the award date. Bidders may request a price adjustment ninety (90) days prior to the completion of the first year of the contract term. It is the Bidder's responsibility to request any pricing adjustment under this provision. The County may consider an adjustment to prices based on the Consumer Price Index (CPI) percentage change as calculated by the US Department of Commerce for all Urban Consumers in the Miami-Ft. Lauderdale area. This adjustment shall not exceed the current Living Wage adjustment as published by the Small Business Development Division of the Department of Regulatory and Economic Resources each October.

**6. Miami-Dade County Living Wages**

If the total contract value, per term, exceeds \$100,000 the provisions of Section 2-8.9 (Living Wages) of the Code of Miami-Dade County (Code) as amended by Ordinance [Governing Legislation], will apply. A copy of this Code Section may be obtained online at [www.miamidade.gov](http://www.miamidade.gov). A copy of the Administrative Order may be obtained online at <http://www.miamidade.gov/aopdfdoc/aopdf/pdf/files/AO3-30.pdf>.

**7. Deficiencies**

Bidders shall promptly correct all apparent and latent deficiencies in work, and / or any work that fails to conform to the contract documents regardless of the work completion status. All corrections shall be made within **two (2) working days** after such deficiencies, and / or non-conformances are reported by the County representative. The Bidder shall bear all costs of correcting such rejected work. If the Bidder fails to correct the work within the period specified, the County may, at its discretion, notify the Bidder, that the Bidder is subject to contractual default provision if the corrections are not completed to the satisfaction of the County within **one (1) working day** of receipt of the notice. If the Bidder fails to correct the work within the period specified in the notice, the County shall place the Bidder in default, obtain the services of another Bidder to correct the deficiencies, and charge the incumbent Bidder for these costs; either through a deduction from the final payment owed to the Bidder or through invoicing. If the Bidder fails to honor this invoice or credit memo, the County may terminate the Bidder for default.

**8. Changes**

**A. Additional Sites and / or Groups**

Although this Invitation to Quote and resultant contract identifies specific sites to be serviced, it is hereby agreed and understood that the County may at its option add new sites to the contract. Should the County determine that additional sites need to be added to a group, a quote shall be obtained from the Bidder servicing that group. If the County determines that the price submitted by the primary Bidder is not competitive, price quotes will be obtained from all the Bidders awarded the contract. If an additional group needs to be added to the contract, price quotes will be obtained from all the awarded Bidders.

**B. Enhancement**

Should a site be enhanced with additional plant material, price quotes will be obtained for the additional maintenance from the Bidder servicing that site. If the price submitted by the Bidder for the enhancement is not competitive the County shall obtain price quotes from all the awarded Bidders for the entire site including the enhanced portion.

**C. Site Modifications**

Should a site increase or decrease in size, price quotes shall be obtained for the modification from the Bidder servicing that site. If the price submitted by the Bidder for the modification is not competitive, the County shall obtain price quotes from all of the awarded Bidders for the entire site including the modified portion.

**D. Deletion**

Sites or groups may be deleted when such services are no longer required during the contract period; upon written notice to the Bidder.

**9. Labor, Materials and Equipment**

The Bidders shall furnish all labor, material and equipment necessary for satisfactory contract performance. Such materials and equipment shall be of a suitable type, in good conditions and grade for the purpose. All material, workmanship, and equipment shall be subject to the inspection and approval by the County user department.

**10. Compliance / Regulations**

**A. Legal Requirement for Pollution Control**

It is the intent of these specifications to comply with the Miami-Dade County Pollution Control Ordinance as stated in Chapter 24 of the Miami-Dade Code. This ordinance is made a part of these specifications by reference and may be obtained, if necessary, by the vendor through Permitting, Environment and Regulatory Affairs 33 SW 2nd Ave., Miami, Florida 33130, Telephone (305) 372-6789.

**B. Accident Prevention, Barricades and Safety**

Precautions shall be exercised at all times for the protection of persons and property. All Bidders performing services under this contract shall conform to all relevant OSHA, EPA, State and County regulations during the course of such effort. Any fines levied by the above mentioned authorities for failure to comply with these requirements shall be borne solely by the responsible Bidder. Barricades shall be provided by the Bidder when work is performed in areas traversed by persons, or when deemed necessary by the County user department.

Bidder agrees to perform all work in a manner that meets all accepted standards for safe practice, and to safely maintain and operate all the equipment used in the performance of this contract. The County, reserves the right to issue immediate restrain or cease and desist to a Bidder, when unsafe or harmful acts are observed or reported while performing under the contract. Hazardous conditions shall be immediately reported to the County user department.

**11. Cleanup**

All unusable materials and debris shall be removed from the premises at the end of each workday, and disposed of in an appropriate manner. Upon final completion, Bidders shall thoroughly clean up all areas where work has been involved as mutually agreed with an authorized representative of the County.

**12. Specifications**

The work consists of turf mowing, turf trimming, turf edging, ground cover edging, weed control, disease inspection, mulching, pruning and trimming trees, fertilization and litter pickup.

**13. Service Cycle Frequency**

The sites that list 18 cycles per year Bidders will perform two (2) service cycles per month from May through October and one (1) service cycle per month from November through April. The sites that list 24 cycles per year, Bidders will performed two (2) service cycles per month. The Bidder will provide each month's schedule seven (7) days prior to the beginning of the month. Changes to the schedule must be communicated to the County representative at least 24 hours prior to service.

**14. Service Cycle Task**

A. The following task shall be performed during each service cycle:

**1. Turf Mowing**

Remove all litter to include but not limited to, broken glass, rocks, from turf area before mowing. Mowing shall be from pavement to pavement including swales in public right-of-ways. Adjust mowers to the proper cutting height and level for the kind of grass and current condition of the turf. Mower blade height adjustment is to be measured from a level floor surface to the parallel and level plane of the mower blade. All mower blades shall be sharp enough to cut, rather than to tear grass blades. Insure a smooth surface appearance without scalping or leaving any "missed" uncut grass. Mowing shall be performed carefully so as not to "batik" trees or shrubs, or to intrude into ground cover beds, or damage sprinkler heads, curbs and other facilities. Remove all grass clipping, leaves and debris produced by mowing or trimming from adjacent walks, drives, gutters and curbs or surfaces on the same day as mowed or trimmed.

**2. Turf Trimming**

Trim the grass during, or as an immediate operation following mowing. Trim the grass by hand, hand power shear or rotary nylon "fish cutting" machines. Trim the grass at the same height as adjacent turf is mowed. Trim the grass from around all obstacles and vertical surface in the turf such as posts, tress and walls and around sprinkler heads and other irrigation system fixtures to assure their proper water delivery function.

**3. Turf Edging**

Mechanically edge (vertical trimming) all turf edges in all areas including abutting sidewalks, flush paved surfaces, curbs, drives and patios. Edge (turf edging) with a manual or mechanical edger shrub beds, flower beds, ground cover beds, hedges, or around trees (where "edging" rather than "trimming") is directed to a neat vertical uniform line, after every mowing for uniform appearance. Edge the turf approximately 10 inches out from the drip line of shrubs and hedges Edge the turf approximately 18 inches around all trees that are in the lawn area creating a circle. Create the circle on the trees that do not have it. Do not allow trimming equipment to come in contract with the tree trunks. When necessary, hand trim to avoid damage to tree. Remove and sweep away dirt and debris produced by edging or trimming from adjacent surfaces, from gutters and road surfaces adjacent to roadway medians and scales, on the same day as cut.

**4. Ground Cover Edging**

Ground cover beds shall be maintained within their extended bounds and shall not be permitted to encroach into lawns, shrubs' beds or adjacent areas, at the same frequency as mowing for uniform appearance. Wood chips, mulch, gravel and ornamental rocks shall be considered as ground cover. Ground cover edges should be at least on foot away from exterior walls and walkways.

**5. Weed Control**

All landscaped areas within the specified areas including lawns, shrubs, hedges and ground cover beds, planters, swales, walkways, gutters and areas covered with gravel rock or wood chips shall be kept free of weeds at all times. A complete removal of all weed growth shall be accomplished on every cycle on a continuing basis, as weeds appear. A weed will be considered as any undesirable or misplaced plant. Weeds shall be controlled either by hand or chemical methods. When chemicals are used to control weeds, use an approved herbicide that will kill the weed roots. A 'tracker' or dye shall be mixed with the herbicide unless approved otherwise by the County representative. For additional information link to: [www.epa.gov/pesticides](http://www.epa.gov/pesticides) and [www.freshfromflorida.com/onestop/aea/registration/html](http://www.freshfromflorida.com/onestop/aea/registration/html). Mow, trim or edge weeds from turf areas as a part of turf care operations. Manually remove weeds from shrubs, hedges, ground cover or flower beds, unless chemical or mechanical means are specifically authorized by the County representative. Remove all exotic weed trees, with a trunk caliper of up to 4 inches when measured at a height of 4' feet from the ground as described in Chapter 24 of the Miami-Dade County Code. Information may be obtained at <http://library.municode.com/index.aspx?clientId=10620>.

**6. Disease and Pest Control**

The Bidder shall inspect all areas for presence of disease infestation a minimum of **once a month**. The Bidder shall report all plant material affected with pests or disease to a representative of the County. The report shall include the name or description of the plant material, and the name or description of the pest or disease. Bidder shall provide recommendation to remedy the problem. The bidder shall include in the report the chemical to be used, method of application and schedule for application (initial and follow-up treatment). Only products approved by the Federal Environmental Protection Agency (EPA) and registered and approved by the State of Florida shall be used. For additional information link to: [www.epa.gov/pesticides](http://www.epa.gov/pesticides) and [www.freshfromflorida.com/onestop/aea/registration/html](http://www.freshfromflorida.com/onestop/aea/registration/html). Prior to the application of the chemical, the Bidder shall submit to the County representative the product's label and Material Safety Data Sheet for approval of product.

Action for treating plant material with pests diseases or other health conditions shall be started as soon as possible, but no later than seventy-two (72) hours after the pest, disease or other health condition is discovered or when ordered by the County representative. Follow up treatments shall be as recommended on the label for the product being used for treatment. Treatment shall continue until the pests, diseases or health conditions are controlled to the satisfaction of the County Representative. When a treatment product is being applied, the person applying it shall have in their possession all labeling associated with the product. Also, the product shall be applied as indicated on the said labeling. If requested by the County representative, a specimen label and/or the Material Safety Data Sheet for each product shall be supplied to the County representative.

While applying treatment products and other such chemicals, the operator shall have their applicator license or licenses in their possession. Upon request by the County representative, the operator shall furnish such license or licenses.

**7. Gardening Services**

Gardening services are to be performed to include hand weeding all the flower beds, mulched areas and planters. Trim all the decorative hedges with a trimmer made to trim delicate hedges not with a modified saw or weed hacker. The height and shape will change periodically as per the County representative's instructions. Remove the dead branches and canes. Bidders shall remove forced suckers. Maintain the swale areas.

**8. Butterfly Garden**

The garden at the Coral Gables branch requires special care in order not to disturb the delicate balance between the butterfly's and the plants that they feed from / are attracted to. The Bidder shall do selective pruning at each visit or as required.

**9. Pond**

The pond at the Key Biscayne branch requires cleaning of trash and removal of surface debris and plants that are close or over the edge of the pond with every visit. **Twice a year**, the pond will be dredged to remove bottom waste and sediments and cleaned of debris in order to maintain the current ecosystem which inhabits the area.

**10. Leave Removal**

Remove leaves from the entire site including but not limited to turf areas, planting beds and planters.

**11. Plants**

Bidders shall report the decline of plant material and shall provide a recommendation to remedy the problem.

**12. Litter Cleanup and Pick-up**

Bidder is responsible for removing and properly/legally disposing all collected material resulting from the performance of the work on the same day as the service cycle. The County will not supply an area or facilities for handling, storage or disposal of such. No items shall be permitted to be dumped, stored or disposed on site utilizing County dumpsters. No payment will be made for travel time to and from a site or to the disposal sites, as well as for any tipping fees for disposal.

**B. The following services shall be performed as indicated in each description:**

**1. Shrub, Hedge and Ground Pruning**

Prune all shrubs, hedges and ground cover plants growing in the work area, at the same frequency for uniform appearance, to maintain plants in a healthy, growing condition and to maintain plant growth within reasonable bounds to prevent encroachment of passageways, walks, streets, views of signs or in any manner deemed objectionable by the individual County representatives. Planters shall be trimmed and pruned **as necessary** to provide a uniform appearance. Wood chips, mulch, gravel and ornamental rock shall be included and considered as ground cover. This type of ground cover will also be maintained within its intended bounds and not permitted to encroach into lawns, or adjacent areas.

**2. Tree Pruning**

Pruning of trees is to be performed **as necessary** and shall consist of the removal of dead and/or broken branches, suckers or sprouts from tree base or below; and pruning to prevent encroachment of branches over streets, into private property, obscuring view of signs or traffic, particularly at road intersection, or interference with lighting, etc. Trees up to a height of 12 feet shall be included. Prune tree branches up to seven (7) feet over walkways and twelve (12) feet from the ground in other areas as designated by the County representative. Use clean sharp cutting tools designed for pruning; do **not** use machetes for any pruning or trimming. Cut limbs flush with trunk to promote healing, leaving no stubs. Paint with tree healing compound all cuts exceeding 1½ inches diameter. Remove vines, debris, signs or any other materials attached to the trunk. Remove dead or broken branches, including dead palm fronds (12 feet high or under) from palm trees and dispose of. Remove all tree cuttings and dead palm tree fronds from sites on the same day they are cut.

**3. Weeds**

Cut back weeds **four times a year, minimum** in areas such as canal banks, drainage areas, or rip-rapped areas.

**4. Mulching**

All brown chip mulch shall be refreshed **two times a year** as indicated by the County representative with the exception of the Coral Gables and Shenandoah branch may be refreshed up to **4 times a year**. The Bidder will provide a mulching schedule prior to services. Changes to the schedule must be communicated to the County representative at least 24 hours prior to service. All mulch shall be maintained at a depth of at least three inches. Samples of the mulch and Evidence of certification shall be provided to the County representative prior to each application. Use only mulch product certified by the Mulch and Soil Council. For more information link to: [www.mulchandsoilcouncil.org](http://www.mulchandsoilcouncil.org).

**5. Irrigation**

Bidders shall inspect the irrigation system **12 times a year** at the Shenandoah Branch and report any necessary repairs and/or adjustments to the County representative.

**15. Fertilization**

The Bidder shall notify the County representative at least three (3) days in advance of the dates and sites that will be fertilized. Permission to perform this activity must be received before the work can begin. A County representative may be present during application of fertilizer.

**A. Turf and / or Garden**

Turf shall be fertilized **twice a year** in April and October with the exception of the Coral Gables and Shenandoah branch (see 15F).

**B. Shrubs, Ground Covers, Flower Beds and Hedges**

Shrubs, ground covers, flower beds and hedges shall be fertilized **twice a year** in April and October.

**C. Trees / Palms**

Trees and palms shall be fertilized in **twice a year** in April or May and October

**D. Product Approval**

Fertilizers shall comply with Florida's Commercial Fertilizer Law, Chapter 576, Florida Statute and Chapter 5E-1, Florida Administrative Code. A copy may be obtained online at: <http://www.freshfromflorida.com/onestop/aes/fertilizer.html>. Fertilizers shall be applied using the guidelines in Fertilization in the Green Industry Best Management Practices Manual, Chapter 5. A copy may be obtained at [http://fyn.ifas.ufl.edu/pdf/GIBMP\\_Manual\\_WEB\\_2\\_17\\_11.pdf](http://fyn.ifas.ufl.edu/pdf/GIBMP_Manual_WEB_2_17_11.pdf).

**E. Composition and Quality**

All fertilizer shall be uniform in composition and dry. Granular fertilizer shall be free flowing and delivered in unopened bags, containers and / or boxes which are fully labeled with the manufacturer's analysis.

**F. Coral Gables and Shenandoah**

The entire landscape area of the Coral Gables and Shenandoah facility shall be fertilized with an 8N-2P2O5-12K2O=4Mg with micronutrients fertilizer. One hundred percent of the N, K and MG in the fertilizer shall be in a slow release form. Bidder shall use 1.5 lbs. of this fertilizer per 100 sq. ft of the landscaped area. Apply this fertilizer **4 times a year in March, June, September and December.**

**16. Damaged Plants**

The Bidder shall notify the County representative immediately after discovery of dead and damaged plants, trees or plants that require staking, guying and set-up and trees that have died or have blown or knocked over.

**17. Identification and Uniforms**

All Bidder employees must carry a clearly visible identification badge. This badge shall include the Bidder's company name, the employees name and a current photograph of the employee. All employees must wear a uniform shirt (or tee shirt) clearly displaying the vendor's company name.

**18. Vehicles**

Bidder vehicles shall be clearly identified with the company name on both sides and must be legible at minimum of fifty (50') feet away during daylight hours. Magnetic or temporary signs will not be accepted.
