

Get in the Game

Reduce, Reuse, Recycle

In 2009 Resolve to Go Green

Here are some ideas to start

Reduce Waste

Print only if you must have a paper copy

Say no to leaflets

File taxes online

Open blinds/curtains in the day and turn off lights

Turn lights off when you leave a room

Turn air conditioners to a higher temperature at bedtime and when you go out

Turn off dripping faucets

Buy an energy efficient vehicle

Choose solar-powered outdoor lights

Recharge small electronics with a solar-powered charger

Reuse

Use rechargeable batteries

Use recycled PET bags to carry purchases home

Buy reusable plates, cups and utensils not single-use

Buy reusable razors not single-use

Buy rewritable CDs and DVDs

Recycle

Donate old cell phones and computers to charities

Buy pre-owned items instead of new

Compost organic materials in sunny spots outside

Resource Conservation ROCKS!
